

CAMP FREDERICK

P.O. Box 258
Rogers, Ohio 44455

A Contagious desire to serve Christ in intentional Christian communities is exactly what the young adults (age 18 and over) who serve as summer camp staff with Camp Frederick in Ohio share each day with youth and adults. A summer at our camp will impact your life and the lives of numerous campers in a tremendous way.

Camp Frederick is designed for adventure, high ropes, zip line, servant events, as well as a full array of youth camp opportunities.

The key positions at camp are the day camp and resident camp counselors who work directly with the campers. In addition, many support staff such as cooks, lifeguards, maintenance, health service, crafts and program leaders are needed to support the counselors. Every position requires being a servant, sharing your gifts, and having lots of fun. The summer commitment is for 9 – 11 weeks from mid June to mid August.

Many staff completing a summer at camp say it was the best summer of their lives. You will make lifelong friends. The close family developed throughout the summer is a powerful experience for everyone. You will have the opportunity to build vocational skills such as teaching, leadership, counseling, and Christian education. Many potential employers often consider the experience as camp counselor an asset to their organization. You will gain confidence in yourself and find gifts you didn't know you had. You will work with a diverse group of people. Not only will you receive a weekly salary, but your food and lodging is included as a benefit. The fast-paced environment makes the work exciting and keeps you physically, emotionally, and spiritually challenged. As you can see, the benefits are extensive.

We look forward to meeting with you personally to talk about your interests.
